The rain-check will be valid for one year from the date issued. If the rain stops before 12:00 noon, no rain checks will be issued. No refunds for early returns.

Safety & Liability

Although we make every effort to assure you have a safe trip canoeing, rafting, kayaking, and horseback riding, these activities may include some personal risk. Participation in these activities is at your own risk. Bass' River Resort does not assume responsibility for personal injury, medical payments, property loss or damage. You will be asked to acknowledge this by signing a liability waiver before your outing begins.

River Trip Information

Particular attention must be paid to private property. Most property along the river's edge is privately owned and is marked with purple paint for no trespassing. Please do not stop or camp on these riverbanks. Missouri waterway regulations forbid cans, bottles, and other trash items to be deposited along streams and rivers. Please utilize the supplied Missouri Conservation approved bags to bring back these items to be properly disposed.

Sanitation

Bass' River Resort makes every effort to provide you with a clean, well-maintained campsite. Please help us maintain the natural beauty of Ozarks River Country by using our dumpsters throughout the campground to deposit your waste. Keep the Ozarks clean. Don't leave trash at your campsite. You may bring your own trash bags or purchase them at our main headquarters. We expect campers to leave their campsite the same way they found it.

CANCELLATION POLICY

You must inform us by 10:00 a.m. seven (7) full days in advance of any changes or cancellations to receive a refund, less a \$20.00 service charge. If cancellation is less than seven days prior to your arrival your deposit will be forfeited.
